It's time to eat.
It is simple to set the table.
Pam is able to do it
by herself.

First, Pam sets purple dishes
on the table.
Pam likes purple.
Today is a nice day for purple.

Pam sets glasses on the table.
They sparkle in the sunlight.
Pam gets napkins too.
Her napkins match the purple plates.
It is fun setting the table!

Pam holds the jug of
water by the handle.
She will not spill.
There will be no puddle!

This table needs
a bundle of roses.
Won't this table smell nice?
Roses tickle Pam's nose!

Last, this table needs a candle on it.
Mom will light that candle.
After that, Mom can finish
making lunch.
Pam can't wait to eat!

The table is set.

Mom sets lunch on the table.

Pam and Mom fixed lunch as a team!

It makes Pam giggle to think
of how she was able to help.
